Rehabilitation Association

## **2<sup>nd</sup> ANNOUNCEMENT AND CALL FOR PAPERS**

### **2<sup>nd</sup> VEPRA CONFERENCE**

INTERNATIONAL CONFERENCE ON PHYSICAL THERAPY AND  
REHABILITATION OF ANIMALS

Warsaw, Poland, 17-18 September 2011

**„SPINAL CORD TRAUMA - PHYSICAL THERAPY and REHABILITATION“**

VEPRA and Faculty of Veterinary Medicine University of Olsztyn invite you to join us at 2<sup>nd</sup> VEPRA Conference taking place in „Warszawianka“ Conference and Training Center in Jachranka, Warsaw, Poland 17-18 September 2011.

The Conference will be dedicated to therapeutic approaches on rehabilitation of neurological conditions in animals. Distinguished speakers and specialists from the field of veterinary neurology, physical therapy and rehabilitation will present the overview on diagnosing and managing different conditions related to spinal cord trauma, and human physical therapy experts will demonstrate a comparative approach and modalities used in human rehabilitation.

We would like to announce that the **early registration** is extended to **20<sup>th</sup> June 2011**.

Abstracts of papers for oral and poster presentations should be submitted by latest **1<sup>st</sup> July 2011**.

The best poster and oral presentation selected by participants will be awarded by our Golden sponsor “NESTLE Purina”

For the registration and paper submission instruction please visit the Conference website [www.vepra2011.pl](http://www.vepra2011.pl)

We hope this will be an exciting Conference and the Organising Committee takes great pleasure in inviting you to participate.

Please find attached the preliminary programme.

With warmest regards,

On the behalf of Organising Committee

*Zoran Vrbanac*

*VEPRA President*
